

FORAGERS FORTUNE

Choosing your beeswax luminary

Each luminary is handcrafted at every stage of the process, which allows us to be flexible and produce luminaries unique for you.

Firstly, what size luminary

We produce small, tall and large luminaires. The sizes are on the photos below.

Then, what design would you like on it

There are several to choose from, they have been selected specifically for each size.

* please note these prices do not include postage and packaging

Finally, what pattern you would like the design to made out of

The designs are handcrafted from a variety of fabrics which provide wonderful colour to the beautiful beeswax and when illuminated provide an elegant silhouette.
